

HeartSpring

Camp AAChieve

Pediatric Services Speech Therapy

Campers participate in activities that focus on building friendships, self-advocacy, and having fun while using their Augmentative and Alternative Communication (AAC) devices.

Camp AAChieve offers a mix of traditional camp activities and a targeted use of AAC in daily activities. To participate, campers must not require one-to-one behavior support.

We accept Medicaid and most commercial insurance. Financial assistance is available to those who qualify. For additional information, please call 316-634-8710.
